Catering

We offer you wood-fired catering
at private events and weddings,
corporate lunches/dinners,
birthday parties, for any celebration
and gathering.

The benefit of our style is mobility,
we bring the oven to your party.
Be it at your home, venue or
anywhere you have gathered.
We show up with wood-fired
and brick oven treats
cooked right in front of you.

For an event demanding a more
sophisticated menu, we would gladly
customize it to fit your palate!
